Dear Sir

Re: New Courses Starting as from next semester

Further to your inquiry we are pleased to enclose requested information about the course/s that you are interested in. We are also enclosing the price list as an indication to charges for the different course, and an application form for you to complete and return, should you have decided to join the course.

We take this opportunity to inform you that all the courses offered at Sagittarius are approved, and that companies sponsoring their employee/s for any of our course, are entitled for refund under the *'Levy and Grant system'* of the board.

Please do not hesitate to contact us, should you require any further information.

Thank you

Yours sincerely

BCS Higher Education Qualifications

About the Exam

The Higher Education Qualification is the essential qualification for a career in computing and information technology. Whether you seek greater job recognition, promotion or a new career direction, you'll find the BCS Professional Examination is internationally recognised, flexible and suited to the needs of the IT industry.

- Open to everyone
- Flexible, modular structure
- Essential for career development
- Realistic, manageable syllabus
- Comprehensively supported

Recognising the rapid and significant changes in computing and information technology, the BCS provides the benchmark for the future.

The examination has been developed in consultation with employers to meet the demands and evolving needs of the IT community. It consists of three levels and two projects. Each level is recognised as an international qualification and counts as academic points towards attaining professional membership of the BCS.

At its highest level, the BCS Professional Examination is examined to the academic level of a UK University honours degree and acknowledges practical experience and academic ability.

Internationally Acknowledged and Approved

Trusted for its independence and integrity, the BCS is the only Chartered Engineering Institution for Information Technology (IT) which can award an internationally recognised professional qualification.

The Structure of the Examination

The Examination has a modular structure, set in three parts:

Certificate in Information Technology

The BCS deems that its Certificate is examined to the academic level of the first year of a degree. It consists of a two-hour written paper on each of the three compulsory modules:

- Information Systems
- Software Development
- Computer & Network Technology

Diploma in Information Technology

The BCS deems that its Diploma is examined to the academic level of the second year of a degree. It consists of a two-hour written paper on the compulsory core module:

- Professional Issues in Information Systems Practice

PLUS a two-hour written paper on each of three modules chosen from the following list:

- Computer Networks
- Database Systems
- Principles of Internet Technologies*(new)*
- IT Project Management
- IT Service Management
- Object Oriented Programming
- Software Engineering 1
- Systems Analysis and Desigh
- * Principles of User Interface *(April only)*

AND the **Professional Project (Diploma level)** if you want to finish your studies at this point OR go on to the **Professional Graduate Diploma**.

Professional Graduate Diploma in Information Technology

The BCS deems that its Professional Graduate Diploma is examined to the level of a university honours degree. It consists of a three-hour written paper on each of four modules chosen from the list below plus the Professional Graduate Diploma project.

Alternatively, one can take the Professional Graduate Diploma by submission of a **dissertation**.

- Advanced Database Management Systems
- Computer Services Management
- *Distributed and Parallel Systems *(April only)*
- *Knowledge Based Systems *(April only)*
- Management Information Systems
- *Network Information Systems *(April only)*
- *Programming Paradigms *(April only)*
- Software Engineering 2
- *Systems Design Methods *(April only)*
- User Interface Design
- *Web Engineering *(New) (April only)*
- World Wide Web - Beyond the Basics
- *Realising the User Interface *(April only)*

Please forward your application plus the appropriate enrolment fee

- **Enrolment Fee:** An applicant is required to pay an enrolment fee of Rs 100, for all courses (Rs 500 for undergraduate and post graduate) on joining Sagittarius which is only refundable if the student's enrolment is rejected by the centre.

- **Course Fee**: Applicants should forward the full course fees or agreed course deposit prior to commencement of studies. This fee will only be refunded in full should the centre not offer the course for which the candidate has enrolled.

- **Qualifications**: Students should ensure that they are suitably qualified to be accepted as a *Student Member* by the awarding body prior to commencement of studies.

- **Registration and Examination Fees**: These are separate from course fees of Sagittarius. For full details, consult our office. The amounts payable and payment deadlines are posted on the notice board at appropriate times.

- **Photographs**: Two passport size photographs must accompany your application.

- **Acceptance**: The centre can only confirm course places on receipt of a correctly completed application form and full payment of course fees or course deposit fee.

- **Refunds**: It is regretted that fees cannot be refunded once the course has started. Students are entitled to a refund, less Rs. 500 cancellation fee, if they advise Sagittarius, in writing of their intention to withdraw from the course, two weeks before the start of the course.

- **Sponsors**: In case of a candidate being sponsored by his/her employer, the course fees must be paid in full, prior to commencement of the course.

- **Repeat Classes**: Students who have paid for and attended a full course but have unfortunately failed, are eligible for 50% discount* when repeating. *(* condition applies)*

- **Legal Obligations**:
  (i)   Sagittarius is committed to assist students during the course for which fees have been accepted.
  (ii) The student also has an obligation that once the course has commenced, he/she should complete the payment of the agreed course fees.

  Sagittarius can administer all correspondences with the examination boards on behalf of the students, if agreed by the student.
